Privacy Policy

Collection and Use of Your Information. You acknowledge that when you download, or install the Software, the electrical training ALLIANCE will use automatic means to collect information while users are logged into the VR Software on their Oculus Quest headsets. The only private, user-specific information collected by electrical training ALLIANCE will be a user ID; this information is collected from the learning management system (LMS) and is needed to automatically send the score reports to the correct user. The only additional data electrical training ALLIANCE will collect on users during the experience will be a time, pass/fail status, completion status, and a score; Each user score will be calculated following a series of metrics that were established by the electrical training ALLIANCE. Additional information on the data we collect through or in connection with this Software is subject to our Privacy Policy located at https://resources.electricaltrainingalliance.org/vr-resources/. By downloading, installing, and providing information to or through this Software, you consent to all actions taken by us with respect to your information in compliance with the Privacy Policy.

Every user, regardless of location or status, has the right to request complete deletion of their data **at any time and without charge** by sending an email to: tech-support@protechskillsinstitute.org or calling 301-715-2359.
